Premium Egg Bank & Fertility Services

## About Us

Welcome to OVACY, your trusted premium egg bank in Cyprus, EU, with over 15 years of experience in donor eggs and IVF treatments. We take pride in helping families grow, offering unmatched expertise and care every step of the way.

OVACY Egg Bank is a part of ISIS Clinic, one of the most successful fertility centers in Cyprus. Equipped with cutting-edge technology and supported by a dedicated team of experts, including doctors, embryologists and fertility coordinators, we're here to provide the best care possible.

With thousands of families created over the years, our experienced and compassionate team is committed to delivering personalized, high-quality services to make your dreams of parenthood come true.

# Your Journey to Parenthood Begins Here

## **OVACY: Personalised Fertility Support**

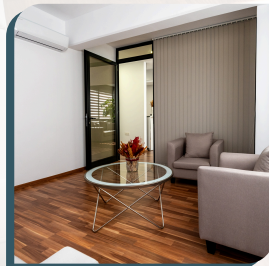

At OVACY, we provide each patient with dedicated support from a personal treatment coordinator. With over 15 years of experience as part of a leading fertility clinic, our coordinators work closely with our fertility specialists to enhance your journey and improve success rates.

## **Premium Egg Bank in Cyprus**

We specialise in recruiting top-quality egg donors. Our exclusive online database offers a large selection of frozen eggs from diverse ethnic backgrounds, helping you find the ideal donor match.

## **Expert Fertility Services**

Our UK-qualified doctors use advanced Assisted Reproductive Technologies (ART) with AI-driven selection processes to enhance patient outcomes.

## Egg Donation Process and Screening

Our egg donors undergo a thorough screening and testing process that meets HFEA and EU regulations, along with specific guidelines in Romania, Greece, and Israel. This ensures their eligibility across all countries. We maintain a stringent donor screening process that surpasses local legal requirements.

## Our Donors come from

**EUROPE**

**AFRICA**
